Extending Your Stay in Southern West Virginia

River Rafting

While whitewater trips are not part of the Veterans Appreciation Day, you and your family may be interested in enjoying a trip down the GORGEous New River.

When planning a whitewater trip, we recommend contacting a professional, licensed outfitter. SBR does not endorse specific outfitters, but have relationships with the following vendors whose guides have completed Youth Protection training, BSA Safe Swim and Safety Afloat training and passed a background check.

ACE Adventure Resort	1-800-787-3982
Adventures on the Gorge	1-855-628-0636

Other Opportunities

If you want more adventure on the front or back end of your Veterans Appreciation Day, consider some of the outdoor options available in Southern West Virginia, including opportunities in the New River Gorge National River (www.nps.gov/neri) and West Virginia State Parks (www.wvstateparks.com).
