

**Webinar QA
January 18, 2017**

What date will the merit badge list be available?

The list will be available in spring 2017.

What activities are only available to Venturers?

The Venturers will have an option of Advanced River Rafting.

Is StemQuest open to all or only by assignment?

StemQuest is open to everyone.

Are there any updates on cots?

As stated in the November Webinar, the cots will be available to all participants and staff.

Are there any extra rafting slots available and how do we apply for them?

We can still accommodate requests for additional rafting slots. Please email 2017jamboree@scouting.org and copy Wendy.Bihler@scouting.org with your request.

Is the ATV area open to all scouts this year?

We are still working on capacity totals but we plan to have it available for all scouts. We will have more details in March 2017.

Will the patch with ribbon be used for Jamboree or will there be different awards offered to scouts?

The patch with ribbon will not be used for this Jamboree. There will be an incentive program offered. The program details will be shared at the Jamboree.

When will we receive more information about cooking options, available foods and recipes?

Please review the August 2016 webinar.

Are headshot photos needed for credentials and if so, where do we post them?

Headshots photos are optional but we do encourage them for record purposes. They can be posted on the Jamboree application.

Will there be items sold from Jamboree after the end of Jamboree?

Yes! There will be a sale of specific items from the Jamboree. Details will be distributed soon and will also be available at the Jamboree booth at the National Annual Meeting in May 2017.

When will we have access to assign Scouts to Troops or make changes?

This is a work in progress. The available date is TBD. Councils will be notified once available.

If the council has had to minimize to 1/2 a Troop, will they still elect troop level positions such as SPL, ASPL, QM etc.?

This is a decision made by each Council Contingent.

When will we be notified how each council's crew will be matched so we can communicate with our match?

This information will be provided in spring 2017.
