Extending Your Stay in Southern West Virginia

River Rafting

While whitewater trips are not part of the Appalachian Adventure program, many units find it convenient to schedule trips prior to their arrival or after their departure from The Summit.

When planning a whitewater trip, we recommend contacting a professional, licensed outfitter. The Summit does not endorse specific outfitters, but have relationships with the following vendors whose guides have completed Youth Protection training, BSA Safe Swim and Safety Afloat training and passed a background check.

ACE Adventure Resort	1-800-787-3982
Adventures on the Gorge	1-855-628-0636
River Expeditions	1-800-463-9873

Other Opportunities

If you want more adventure on the front or back end of your Appalachian Adventure, consider some of the outdoor options available in Southern West Virginia, including opportunities in the New River Gorge National River (www.nps.gov/neri) and West Virginia State Parks (www.wvstateparks.com).
