

2017 National Jamboree Staff Bulletin

2017 JAMBOREE STAFF BULLETIN #4 — December 2015

Progress continues on Jamboree planning. Since our last bulletin, the Executive Committee has met three times and met the following milestones:

- Completed the site layout plan
- Completed the staff recognition plan
- Conducted a budget validation
- Conducted BOM reviews
- Issued RFPs for major Jamboree contracts
- Reviewed staff job descriptions

Having said that, our primary focus remains on recruiting, so let's start there in this bulletin.

Top leadership team formed

The Jamboree Executive Committee continues to make progress assembling their top leaders within each of the four Jamboree groups. Overall, the Jamboree leadership team is 94% complete with 13 slots yet to be filled. A current copy of the top leaders for the 2017 National Scout Jamboree can be found on the last page of the bulletin.

Staff registration update

Staff registration is well underway. If you're not familiar with the process, refer to Staff Bulletin #3 which provides a detailed outline.

As of the end of November, staff recruiting was running ahead of the 2013 pace. That's a good sign relative to meeting one of the Executive Committee's staff commitment objectives: ensuring all staff members have more time to enjoy the Jamboree. While progress is good, we still have a long way to go. We can all help recruit. If all those currently registered recruited four staff members each, we would have a full staff. Let's all help get the word out!

If you have not yet completed your application, please do so now! You're not guaranteed a spot unless you have an approved application.

Council Guide released

The 2017 Jamboree Council Guide has been released and can be downloaded from the following web page: <http://www.summitbsa.org/wp-content/uploads/2015/12/2017NSJ-Council-Planning-Guide-V1.pdf>

The Council Guide provides background information for councils in staffing, organizing and delivering the Jamboree experience to their Boy Scouts and Venturers. This is the primary resource for Council Jamboree Coordinators.
