Things to Remember...

- The Troop Assistance Program (TAP), that encourages council approved adult leaders to help support areas where staff members are needed in various areas at the Jamboree, was launched earlier this month. If interested in signing up go to:
<https://reservations.scouting.org/profile/form/index.cfm?PKformID=0x74424b2fe>
- By April 1, each unit register one designated Food Coordinator at <https://www.surveymonkey.com/r/JamboFoodCoord> . Traditionally the 2nd Assistant Scoutmaster/Associate Advisor, this person will be issued the primary user credentials for the online menu-planning tool, as well as the SwiftShopper App for your troop.
- An e-mail was sent on March 3rd regarding the Jamboree rafting process. There is a link to a google form where you can input your unit numbers and how many rafters are in each. We asked that this be completed by March 17th. If you have any questions about this process or need the link resent e-mail David.Kopsa@Scouting.org. Contingents with 0 rafters were not sent this e-mail.

Things to Remember...

- Jamboree AHMRs submitted on or prior to April 19, 2017 will be processed before the Jamboree. Jamboree AHMRs submitted after April 19, 2017 will be accepted and processed as soon as possible, but submission after April 19, 2017 may result in a significant slow down for the individual and/or their Unit at on-site registration until the individual's AHMR is cleared.
- A Jamboree troop number must be assigned to each contingent member before their medical can be processed and reviewed by the Jamboree medical staff. Please complete this process in the system as soon as possible and on a regular basis moving forward.

Things to Remember...

- Don't forget to register your bus arrival time with TMS. Use the menu link available at www.bsajamboree.org.
- Jamboree Camperships are arranged through your associate regional director. Please direct inquiries to your region rather than BSA member care.
