COUNCIL ADVENTURE PARTNERSHIP

The Council Adventure Partnership (CAP) program is designed to allow local councils to use the venues at the Summit Bechtel Reserve for their summer camps targeted at older youth. The local council camp will form a provisional group that will spend a few days adventuring before returning to their local council camp.

Please check with your local council to determine availability in your area. Local councils desiring to participate should contact the Summit Bechtel Reserve directly at 304-465-2800 and ask for the National Scout Camp Director for more information.

ABOUT THE SUMMIT BECHTEL RESERVE

Situated in the wilds of West Virginia, the Summit Bechtel Reserve is a training, Scouting, and adventuring center for the millions of youth and adults involved in the Boy Scouts of America. Summit programs take Scouts and Venturers to the limits of what they think they can do, and push them further to do what they know they can do.

The Summit is home to the National Scout Jamboree, the James C. Justice National Scout Camp, the John D. Tickle National Training and Leadership Center, and the Paul R. Christen National High Adventure Base.
