HAB's have added additional late summer/fall and Holiday 2020 programs and we encourage you to review those.
- **Payments**
If you have a summer 2020 payment coming up and are either unsure if you should make the payment or are having difficulty collecting payments, please contact the Registrar at the HAB you are planning to attend.

We are monitoring the status of state "Lockdowns" or "Stay at Home Orders" that would interrupt travel during the time you are scheduled to attend an HAB.

5

COVID-19 Update

- **BSA Annual Health and Medical Record**
We are evaluating all options while being mindful of those who have valid exams as well as those new members and adults who may have never completed a Part C exam, state and local authority requirements, and the special review required by high adventure programs. In the interim, we recommend that council health supervisors, camp staff and volunteers begin a conversation on local availability of well exams and alternatives that could be put in place.
