Important: The White Water Merit badge and White Water Half-Day Trip are an extra fee, and must be paid for in the Certain Registration System before you are added to the roster here.

IF you are attending Summit via our Council partnership you will only have to select that you would like to participate in either the White Water Merit Badge or White Water Trip. You will then be placed on a waitlist. We will assign you to a particular day and if you approve we will then lock it into your schedule. Payment for these activities would then be due at registration on the day you arrive,

Please Note: The Program Schedule lists the Full Day White Water Merit Badge as being offered on both Wednesday and Friday. Due to restrictions put in place by the third party outfitters we contract with, we are required to impose a hard cap for each day. Because of this and other factors such as river conditions, staffing, outfitter requirements, and state regulations, you may not get the day you request. While we can make accommodations, once we reach the cap for Friday, we will backfill to other days of the week, starting with Wednesday. If you do not approve the day you were assigned you are welcome to request a change or refund.

This class may appear as full because it is listed as a "waitlist ONLY" class, so you can request a different day than the one you are currently assigned to.

Click on "Select Classes" to Register for Merit Badges
