

JAMES C. JUSTICE NATIONAL SCOUT CAMP

PROGRAM SUPPLEMENT

YOUR SUMMIT SUMMER BEGINS HERE!

Dear Scouts, Scouters, parents/guardians, and stakeholders,

Thank you for selecting the Summit Bechtel Family National Scout Reserve's James C. Justice National Scout Camp as your summer camp destination! We are thrilled to be your choice for an incredible summer camping experience in 2025, and we hope you are excited to experience the advancement and adventure the Summit has to offer.

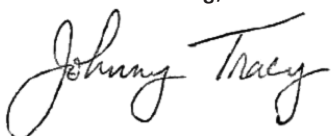

The Summit is truly a Scouting paradise, and, as one of four signature programs, the Justice National Scout Camp offers unparalleled opportunities for enrichment and fun in this amazing setting. Summer camp is a quintessential Scouting experience—nearly every Scout, throughout the history of the Boy Scouts of America, has attended or will attend at least one session of summer camp. A major goal of the Justice National Scout Camp staff is to make your camping experience this summer memorable and one-of-a-kind.

In addition to an exciting and engaging merit badge program, Scouts and leaders will be able to experience an array of exhilarating high-adventure activities, during evening program or through buy-up programs. Challenge and fun (the foundations of great memories) are woven throughout the program offered at Justice National Scout Camp. Participants are encouraged to grow and develop, through experiences in which comfort zones are abandoned and obstacles are conquered. Our ultimate goal is to provide a camp experience that supports the year-round program offered in your troop or crew, with the added value of the staff and facilities available only at the Summit.

This guide is designed to help unit and council contingents plan a successful trip to Justice National Scout Camp at the Summit. All participating leaders should be familiar with the information in this guide; communication to parents/guardians and participants about this trip is critical, so please share this information with them, too!

Please read this guide carefully, as it contains the answers to many common questions. If you have further questions or if there is anything with which we can help, please do not hesitate to contact me (information below), or e-mail the Summit registration and program team, at Summit.Program@scouting.org. We cannot wait to serve your unit this summer at the James C. Justice National Scout Camp at the Summit!

Yours in Scouting,

Johnny Tracy

This guide does not contain any substantive program or planning information about any other Scouting or non-Scouting program offered at the Summit. Visit www.summitbsa.org for information on other opportunities offered at the Summit!

REGISTERING FOR SUMMER CAMP

The Justice National Scout Camp accepts unit reservations until a session of camp is full; the maximum number of participants for any session of Justice National Scout Camp is **five hundred twenty-five**. Unit registrations are created online, at summitbsa.org/registration. Registrations are managed by a designated unit leader and can be updated and adjusted as needed. The next page contains information about the camp fees and payment schedule.

THE EXPEDITION NUMBER

The registration platform, through which units register and make payments for Summit programs, assigns each crew an expedition number; this number helps the Summit staff identify and keep track of all participants. Expedition numbers are assigned in a format that includes a two-letter prefix to indicate the program in which a unit is participating, six digits for the beginning date of participation, and a letter that indicates the order in which the registration was placed. Leaders and parents/guardians should reference the unit expedition number when communicating about their visit.

SC060925-A

HOW TO REGISTER FOR SCOUT CAMP

Unit registration can be completed online, by visiting the summitbsa.org/registration Web page. Registration is immediate (there is no lottery system), though participant names can be entered later.

UNIT STRUCTURE

The program of the Justice National Scout Camp is designed to support and enhance the year-round program offered by units and local council efforts. Any Scouts BSA troop, Venturing crew, or Exploring post can register to participate in Justice National Scout Camp at the Summit. Any registered Scout can participate with an attending unit (whether or not they are registered in the unit). Units may be all male, all female, or coeducational. All-male or all-female units consisting of Scouts BSA members must follow the Scouts BSA troop leadership guidelines as outlined in the *Guide to Safe Scouting*. Coeducational Venturing crews must meet the Venturing leadership standards as outlined in the same guide.

SCOUT CONNECTIONS

The Scout Connections Web page allows units, registered to participate in a Summit program, to advertise open spaces in crews and permits individuals, who are members of units not participating in a Summit program, to post their interest in joining a crew for a certain program. Adults, either unit leaders or parents/guardians, should create a post to advertise crew space or to inquire about open spaces for a youth participant (Scout or Venturer). Visit summitbsa.org/registration/scoutconnections to learn more!

PROVISIONAL PARTICIPANTS

Justice National Scout Camp welcomes provisional participants (youth registered as Scouts BSA members)! First, provisional participants will register for the session of camp in which they would like to participate, which can be accessed from the *Registration* page on the Summit Web site (typical payment schedule will apply). Provisional participants will register for merit badges and other opportunities on the Black Pug registration platform in mid-April. Provisional participants will be matched with a participating unit, and Youth Protection standards will be the primary consideration when assigning provisional participants to host units.

CAMP FEES & PAYMENT SCHEDULES

THE CAMP FEE

The cost to participate in the Justice National Scout Camp is \$450.00 per person, youth and adult, in 2025. See the *Fee Schedule and Payment Timeline* table on this page for the payment schedule.

The Summit employs a dedicated full-time staff and a tremendous seasonal outreach team, and we love to interact with Scouts, unit leaders, and other stakeholders to advocate for the programs and property of the Summit. In this spirit, individuals are invited to request a visit to or from the Summit, with several options from which to choose. Individuals can schedule a one-on-one (adult-to-adult) phone call; a virtual unit committee or patrol leader council visit; a visit to the Summit property for a tour; or a visit from a member of the Summit staff. The Summit outreach team will work with individuals making these requests to determine the best method of meeting. Scan the Q.R. code below to complete a simple request form, and a member of the Summit team will be in touch soon!

SCOUT CAMP BASICS

PROGRAM DESCRIPTION

The James C. Justice National Scout Camp is one of four experiences offered by the Summit Bechtel Reserve (the other three being the Paul R. Christen National High Adventure Base, the John D. Tickle National Training and Leadership Center, and Family Adventure Camp). The Scout Camp program emphasizes advancement, Scouting traditions, and the exploration of a wide array of activities and interests, through a robust merit badge program, awards and recognitions, and numerous open programs (including high-adventure experiences). The heart of Scout Camp is Pigott (Delta) Basecamp, with programs located conveniently throughout the Scott Summit Center.

SCOUTS BSA RESIDENT CAMP

The Justice National Scout Camp is the flagship weeklong resident camp of Scouting America, targeting Scouts BSA participants and Venturers who are looking for advancement opportunities, activity exploration, and Scouting traditions set within the stunning Summit Bechtel Reserve, in beautiful West Virginia. This experience includes merit badges, trainings, camp-wide events, and fun! From an engaging first-year camper program (Brownsea Island), to an exciting merit badge program, to multiple high-adventure activities (most available as buy-ups), the Justice National Scout Camp offers a buffet of selections for Scouts of all ages to construct a camping experience that suits their needs and interests. Because of the variety of offerings, it is impossible to take advantage of every opportunity in just one week, so we look forward to seeing you in the future to continue the fun and adventure!

SCOUT CAMP PHILOSOPHY

The seasonal staff and full-time leadership of the Summit are committed to offering an exceptional experience at the James C. Justice National Scout Camp. At Scout Camp, participants will find abundant opportunities to advance on their Scouting journey and enrich their Scouting experience through a wide variety of amazing programs facilitated by an incredible staff. While camp is about so much more than merit badges and rank advancement, the Summit leadership know that these opportunities are a critical part of the camp experience. Merit badge and rank advancement work are balanced with dozens of open and evening programs. At the James C. Justice National Scout Camp, Scouts and adults will experience one of the best Scout summer camp programs available!

PROGRAM EVENTS SCHEDULE

The James C. Justice National Scout Camp publishes a detailed *Program Events Schedule* for Scouts and leaders during each week of camp. This schedule, along with the schedules generated from the individual selections made by individual participants (merit badges, trainings, other programs) during the registration process, create a solid roadmap for a successful visit to camp. The *Program Events Schedule* includes the daily and weekly camp happenings, and a representative section of that schedule is below. Final iterations of this critical planning tool will be shared with unit youth and adult leaders by e-mail before camp and on arrival. Final versions will account for any changes/additions for each session and will also include single-day activities, like opening and closing campfires.

TIME	ACTIVITY
6:00-7:30 a.m.	Breakfast
7:45 a.m.	Morning flag ceremony
8:30-11:30 a.m.	Morning program session
11:30 a.m.-1:00 p.m.	Lunch
1:30-4:30 p.m.	Afternoon program session
5:15 p.m.	Evening flag ceremony
5:30-7:00 p.m.	Dinner
6:30-8:30 p.m.	Open/evening programs

MERIT BADGE AND PROGRAM SCHEDULE

The Merit Badge and Program Schedule details when and where specific classes and activities can be found. It is organized by area in three blocks for the morning, afternoon, and evening sessions. Each year, the Merit Badge and Program Schedule is updated to introduce new programs, phase out less popular ones, and rearrange time slots to improve the overall camp experience. The latest published version of the Merit Badge and Program Schedule can be found on the Web site, and an initial draft is contained in the appendix to this guide. Any changes to the schedule will be shared before arrival or during leader meetings.

SCOUT CAMP BASICS

COMMISSIONER SERVICE STAFF

Each unit will be assisted by the Justice National Scout Camp commissioners throughout the stay at camp. Commissioners will visit campsites and work with units, assisting with any questions or concerns. Commissioners will also coordinate campsite inspections, assist with the facilitation of adult trainings, and support the base camp operations staff to ensure comfort in the camping area. Commissioners are a critical link in the customer-service operations of Justice Scout Camp; these staff members are empowered to make every stay a fantastic one!

BASE CAMP OPERATIONS STAFF

The base camp operations staff of the Summit Bechtel Reserve supports the camping and facility functions of the participants at the Justice National Scout Camp. Base camp operations staff members can assist with a variety of needs, including:

- Providing assistance with facilities, including providing restroom facility supplies, such as toilet paper and paper towels
- Replacing broken tent or canopy parts
- Furnishing fire pits (required for fires) and firewood
- Loaning sports equipment for inter-troop activities
- Answering questions and solving problems that may arise!

UNIFORMS

The Summit recommends wearing the Scouting America field uniform at chapel/verspers service, opening and closing programs, evening flag ceremonies, and during travel to and from the site. The field uniform is not recommended during activity participation. Packing lists are provided in the program supplement for each program; participants should review these guides carefully.

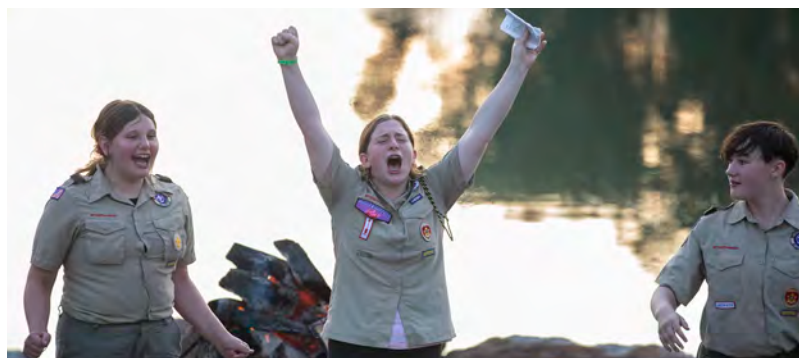

FEEDBACK WELCOME!

The leadership team of the Summit values feedback immensely. At the end of each session of camp, units will be provided a camp survey (which can be completed on paper or online). Adults in the unit should complete at least one survey, and youth in the unit should complete at least one survey. During sessions of camp, unit leaders (adult and youth) are encouraged to provide feedback, suggestions, and compliments to the camp director, program director, camp commissioners, area directors, and program staff!

SCOUT CAMP: DOES IT COUNT AS HIGH ADVENTURE?

In short, Justice National Scout Camp at the Summit is not a high-adventure experience, and participation does not count for the Triple Crown or Grand Slam of High Adventure Awards. Although it is not a high-adventure experience, participants have access to many great opportunities through buy-up and general programs!

Even though the Justice National Scout Camp is not a high-adventure experience, all participants, youth and adult, should be physically and mentally prepared for participation in a strenuous out-of-doors environment (one that includes a fair amount of walking). All participants and their families should review the Scouting America Height-Weight Guidelines, listed on the *Annual Health and Medical Record* and on page 13 in this guide, before committing to camp. Any individuals who fall outside of the parameters or who have specific medical concerns should contact the Summit health and safety team, before arriving to the Summit, at summithealthlodge@scouting.org. The health and safety team, under the supervision of a medical doctor, makes final decisions regarding suitability for participation in any Summit program. These decisions are made in the best interest of the participant, their family, the Summit, and Scouting America.

ADULT LEADERSHIP

MAKING THE ADVENTURE POSSIBLE

Adult leaders play a critical role in the success of Scouting. Through mentorship and patient guidance, adults create environments and nurture cultures in which youth-led programs move from aspiration to reality. Youth and adults alike are expected to abide by the Scout Oath and Law through their words and actions. Adult leaders should model the behaviors desired from Scouts. The best available adult leadership should be recruited to accompany a participating unit. From the Summit leadership to all participating and supporting adults, thank you!

NOTES ON ADULT LEADER REQUIREMENTS

At least two registered adult leaders, twenty-one years of age or older, are required for any Scouting activity (the Summit leadership recommends the participation of three or more adults for better coverage). A registered female leader, twenty-one years of age or older, is required to participate in any activity involving a female youth participant. All participating adults must be registered leaders in Scouting America, without exception.

PARTICIPANTS BETWEEN 18-20

Participants between the ages of eighteen and twenty are adults by the Youth Protection standards of Scouting America. Participants between the ages of eighteen and twenty must tent alone or with another individual over the age of eighteen. All participants who are eighteen years old or older must complete Youth Protection Training.

Youth and adult participants must tent separately.

DESIRED LEADER QUALIFICATIONS

Experiences and activities at the Summit can be rigorous for both adult and youth participants. **Attending adult leaders should be in good physical condition and must meet the Scouting America height/weight restrictions listed, outlined on the *Annual Health and Medical Record* (see the appendix to this guide for this form).** Adult leaders should lead by example and maintain appropriate discipline within the group. The adult leaders should also have a solid understanding of Scouting/Venturing fundamentals, including a commitment to uphold Youth Protection policies and adhere to the rules and regulations outlined in the *Guide to Safe Scouting*.

RESPONSIBILITIES OF THE ADULT LEADERS

Before camp, an adult leader (attending camp or not):

- Recruits qualified and quality leaders to attend the Summit with the unit.
- Implements a plan to recruit youth participants.
- Sets the participation fee, including the Summit fee and any additional travel and ancillary expenses.
- Ensures that participant fees are collected and paid to the Summit according to the payment schedule.
- Coordinates travel and trip arrangements.
- Serves as primary point of contact between the participants and parents/guardians and the Summit.
- Ensures that all adults are registered members of Scouting America and have completed Youth Protection Training.
- Ensures that adult and youth participants meet the minimum physical standards for participation in the programs of the Summit.

During camp, the Scoutmaster/crew advisor and other attending adults:

- Provide supervision of the unit during travel to and from the Summit and during the stay at the Summit.
- Ensure that Scout and adult leader behavior at the Summit aligns with the Scout Oath and Law, Youth Protection Training guidelines, and the *Scouter Code of Conduct*.
- Act as a mentor and resource to the youth leadership team of the unit, ensuring that the unit is youth-led.
- Communicate with unit participants, parents/guardians, and other stakeholders during camp.
- Serve in specific roles, like the unit quartermaster or unit health and safety coordinator.

See the separate appendix to this guide for the Scouting America *Scouter Code of Conduct*, by which all adult leaders are expected to abide.

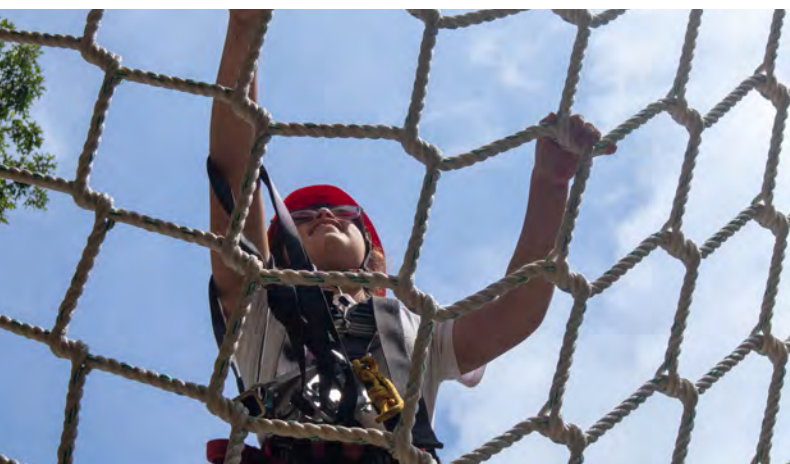

YOUTH PARTICIPANTS & LEADERSHIP

PARTICIPANT REQUIREMENTS

Justice National Scout Camp and the Summit eagerly welcome thousands of Scouts each summer! There are several basic requirements in place to ensure the safety and wellbeing of all youth participants in Scout camp:

- All youth participants must be registered Scouts BSA, Venturing, or Exploring members. The minimum age at which a youth participant can be registered for any of these programs (Scouts BSA) is ten-and-a-half, and most Scouts are at least eleven.
- Youth participants should meet the Scouting America height/weight guidelines (outlined on the *Annual Health and Medical Record*); contact with the Summit health and safety team in advance if not. The Summit can provide accommodations for many specific needs, if these needs are known in advance.
- Youth should understand, acknowledge, and practice behavior that aligns with the Scout Oath and Law.

YOUTH LEADERSHIP ROLES

Youth leadership is the cornerstone of the Scouting program. Unit participants should elect or select appropriate youth members to fulfill the following leadership roles during camp. Units may have other leadership roles to fill, too.

SENIOR PATROL LEADER

The senior patrol leader is the primary youth leader of a participating unit at camp. This individual works closely with the adult leaders and other youth to ensure a successful overall experience. This individual, selected by the youth participants, should be respected and should lead by example. Examples of responsibilities include:

- Discussing ideas and plans with the group to gain investment and determine action.
- Organizing the unit and assigning duties.
- Working to ensure the camp environment is safe, clean, welcoming, and secure.
- Guiding the unit to complete a service project.
- Supporting the chaplain aide and outdoor ethics guide.

CHAPLAIN AIDE

The chaplain aide is a youth participant (elected or designated) who coordinates the spiritual and religious efforts of the unit while at camp. The chaplain aide, with the support of the adult leadership, guides and certifies completion of requirements of the Summit Duty to God Award for each unit member. The chaplain aide also helps serve as a morale officer of the unit, communicating with members about their experience; working with the unit leader/senior patrol leader to address any issues; and promoting a positive atmosphere. There is a meeting for chaplain aides on Sunday evening (check-in day) in the Pigott Headquarters building (see page 19 for additional information).

OUTDOOR ETHICS GUIDE

The outdoor ethics guide works with the unit to ensure responsible and conscientious use of the outdoor environment at the Summit and helps the unit make decisions informed by good conservation and stewardship practices. The outdoor ethics guide coordinates the unit completion of the Summit Sustainability Award with the help of Summit staff. There is a meeting for outdoor ethics guides on Sunday evening (check-in day) in the Pigott Headquarters building (see page 19 for additional information).

CAMPSITES & ACCOMMODATIONS

CAMPSITES

Units will be assigned a campsite in which to live while at the Summit. Pigott (Delta) Base Camp is the primary camping and program area for the Justice National Scout Camp. Campsite areas are large, open fields in the Delta Base Camp. While unit leaders are welcome to make campsite requests, through the online registration platform or by communicating directly with the camp leadership, campsite assignments are not typically shared in advance, as the camping areas at the Summit are nearly all the same. The campsite areas have plenty of space to spread out and feel right at home!

INCLUDED CAMPSITE EQUIPMENT

Each campsite contains one or two dining canopies, picnic tables, and a fire pit. Cots are provided for all individuals. Cots are 76.75 inches long by 33.25 inches wide by 18.25 inches high.

TENTS

In order to ensure the best experience for Justice National Scout Camp stakeholders, tents are not provided. All participants should plan to bring their own tents (see above for dimensions of provided cots). The Summit can provide tents on a limited basis for units traveling by plane or train.

SHOWER AND RESTROOM FACILITIES

The Summit provides ambient-temperature (unheated) shower and restroom facilities, groups of which are called polygons, throughout the property. These facilities, along with all other restroom facilities at the Summit, are clearly marked as youth male, adult male, youth female, or adult female; participants must use the appropriate facility that aligns with their age range and Scouting America-registered gender. Adult leaders have a key role in supervising activity in the shower and restroom facilities to ensure that Youth Protection standards are being followed.

SHOWER AND RESTROOM HYGIENE

The Summit employs a team dedicated to ensuring the hygiene and cleanliness of its shower and restroom facilities. Additionally, units participating in the Justice National Scout Camp program will have service opportunities to assist in keeping these facilities clean and safe. All participants should exhibit behavior appropriate for a Scouting setting when using the shower and restroom facilities.

FOOD IN CAMPSITES

All meals for Justice National Scout Camp participants are served in the Pigott Dining Hall, so cooking equipment is not needed in campsites. Food should not be stored in any camping area; any food kept in the campsite should be stored in a vehicle or in the unit trailer.

LAUNDRY

Laundry facilities are generally not available for participant use at the Summit. Through the base camp staff or camp leadership, adults may request access to limited laundry facilities for emergency needs (e.g. to clean sleeping bags that are wet or have bodily fluids on them).

TECHNOLOGY

The Summit has excellent wireless and cell phone connectivity. Wi-Fi is available throughout the Summit base camps, dining halls, and in Pigott Headquarters. Charging stations are located in base camps and around the Summit. Devices should be monitored while charging, as no locking storage areas are provided; the Summit is not responsible for lost or damaged devices.

SECURING PERSONAL EQUIPMENT

Participants must remember that the Summit is an out-of-doors environment, and protective equipment to secure any sensitive electronics from the elements is needed. Cell phones are relatively easy to secure in a case or sealing plastic bag. For larger items, like laptops and tablets, protective bags or cases should be used. For groups driving to the site, the Summit recommends that larger electronic items be stored in a vehicle when not in use. Severe storms are not uncommon in West Virginia, and valuable electronics left in a tent may get damaged. The Summit is not responsible for lost or damaged personal items.

A NOTE ON SHOWER AND RESTROOM FACILITIES

Participants under the age of eighteen must use the youth facilities for their Scouting America-registered gender. Participants eighteen years old or older must use the adult facilities for their Scouting America-registered gender. Adult facilities must be used by participants in Venturing and Exploring who are eighteen or older.

The Summit dining halls provide foodservice for participants onsite; all Justice National Scout Camp meals are served in the Pigott Dining Hall (with pack-out lunches provided for individuals participating in full-day buy-up programs), and daily breakfast and dinner for Summit Experience participants are served in the Fork in the Road Dining Hall (pack-out lunches are provided each day for Summit Experience participants). Staff will orient participants to dining hall/food service operations on arrival.

PACK-OUT LUNCHES

Pack-out lunches are provided to individuals who are participating in full-day buy-up programs. These meals can be picked up from the Pigott Headquarters building on the morning of the buy-up program.

SPECIFIC DIETARY NEEDS

The foodservice team has the capability to provide meals that meet a variety of specific dietary needs for participants visiting the Summit. To notify the food service team of specific needs for any participant(s), please complete the Dietary Restrictions and Food Allergies Form. In addition, food allergies and sensitivities should be noted on individual medical forms. On arrival at camp, individuals with specific dietary needs should meet with the food service/dining hall management to discuss preparations and accommodations and to review ingredient lists for prepared foods. The Summit can accommodate common dietary needs with some notice, noted here.

- One-week notice: Common food allergies (dairy, peanut, etc.), gluten-free, vegan, vegetarian
- Two-week notice: Kosher, halal, or other specific requests for accommodation

Other specific dietary needs can be accommodated on request. Additionally, participants may bring a supply of alternative, diet-safe food from home and store it in Summit facilities; this food can be accessed at any time. For questions about specific dietary needs, please e-mail the Summit team, at Summit.Program@scouting.org.

CAMP MENUS

Sample camp menus will be provided for review to registered participants several months prior to camp. These menus will also include provisions for common specific dietary needs. The Summit foodservice team is committed to providing delicious meals that suit a wide range of tastes!

SPECIFIC DIETARY NEEDS FORM

The Summit Bechtel Reserve food service team collects information about specific dietary needs for participants through an online form, which can be accessed from the Summit Web site or by scanning the Q.R. code here. For any additional concerns or special considerations, e-mail Summit.Program@scouting.org to communicate with a member of the foodservice team.

HEALTH & SAFETY PREPARATIONS

REQUIRED MEDICAL FORM

All youth and adult participants are required to have a medical evaluation, conducted by a licensed health-care provider, within twelve months of the date of their program at the Summit (forms are valid until the end of the twelfth month). The Scouting America *Annual Health and Medical Record*, parts A, B, and C, must be completed in full. The Summit-specific form is located on the Summit Web site. Copies of signed forms (by the health-care provider and by parent/guardian if the participant is under the age of eighteen) and insurance information will be collected during check-in at the Summit; these copies will not be returned at the end of the visit.

MEDICAL FORM REVIEW BEFORE CAMP

Advisors/leaders should review medical forms for all participants (youth and adult) before traveling to the Summit to become familiar with any health-related restrictions or considerations. This check should also be used to verify that the requisite signatures, of a health-care provider and a parent/guardian, for participants under the age of eighteen, are present on the form. Adult leaders should collect and organize all copies of medical forms for each participant and prepare them for submission to the Summit health and safety team at check-in.

MEDICAL FORM REVIEW AT CAMP

At check-in at the Summit, each participant will undergo a basic medical recheck to ensure that any medical conditions or concerns are known prior to active participation. **Copies of the Scouting America Annual Health and Medical Record for each participant must be submitted to the Summit. These copies will be destroyed within twenty-four hours of the crew's departure from the Summit.** Additionally, participants should bring to the health recheck any medications currently being taken, along with Epi-Pens and/or rescue inhalers (for those who need them).

PARTICIPANT FITNESS

All youth and adult participants must be eligible for participation according to the Scouting America Height/Weight Restrictions, listed on the *Annual Health and Medical Record*. Individuals should consult their primary health-care provider to discuss the advisability of participation in the programs of the Summit. Participants and/or parent(s)/guardian(s) should contact the Summit health and safety team, at summithealthlodge@scouting.org or 304-640-7106, to discuss specific medical questions or concerns. The chief medical officer and medical staff of the Summit reserve the right to make final medical decisions regarding the participation of any individual in any Summit program.

SCOUTING AMERICA HEIGHT/WEIGHT RESTRICTIONS

Individuals who want to participate in a Summit program but do not/will not meet the height/weight restrictions (body mass index (B.M.I.) requirements), listed on the Scouting America *Annual Health and Medical Record* (and on the chart above), should consult with a physician or other health-care provider regarding a safe and healthy plan for weight loss and physical preparation. Contact the Summit health and safety team, at summithealthlodge@scouting.org, to request considerations for specific circumstances.

OTHER HEALTH & SAFETY INFORMATION

INSURANCE

The Summit participation fee includes health, accident, and sickness insurance for all participants, youth and adult, while traveling to and from the property and while participating in Summit programs. This coverage is excess insurance, which means that eligible expenses are covered only after primary health and other collectible insurance payments have been exhausted. If no other insurance is in effect, this insurance plan, which has no deductible to participants, covers expenses up to the plan limit. Please e-mail the Summit risk management team, at summithealthlodge@scouting.org, for additional information.

MEDICATIONS

Participants who have a condition requiring medication should bring an appropriate supply for the duration of their stay at the Summit. The Summit Health Lodge will likely not be able to provide exact medications in needed quantities. If a participant needs medication that they do not have, it will have to be acquired from a local pharmacy. Participants are responsible for paying for their own medications. Units should designate a leader to distribute medications at camp.

STORAGE OF MEDICATIONS

The Summit health and safety team recommends that leaders bring locked storage to store all medications while traveling to and from the Summit. Unit leaders should make preparations to transport medications that require refrigeration; refrigerated storage space is available on-site.

ANAPHYLACTIC REACTIONS AND ASTHMA

Participants who have ever experienced an anaphylactic reaction from any cause must contact the Summit health and safety team, by e-mail, at summithealthlodge@scouting.org, before arrival. The ability of a participant who has experienced an anaphylactic reaction to participate in a Summit program will be evaluated by the health and safety team, and participation decisions will be made that prioritize the well-being of the individual. Similarly, any individual who has received treatment for asthma in the past three years are required to bring and carry a rescue inhaler. Participants who have received treatment for asthma but do not bring a rescue inhaler will be required to purchase one before being allowed to participate.

MEDICAL EXEMPTIONS

To request a medical exemption of any kind, for any reason, participants (or their parent(s)/guardian(s), if under the age of eighteen), should complete the *Summit Medical Exemption Form*, available on the Summit Web site and in the appendix to this guide. This form should be submitted to the Summit health and safety team, by e-mail to summithealthlodge@scouting.org, before arrival. Requests for exemptions will be reviewed by the health and safety team and participants or their parent(s)/guardian(s) may be contacted to discuss the request.

RELIGIOUS BELIEFS AND MEDICAL EXEMPTIONS

The following is the policy of Scouting America regarding medical requirements: "Medical examinations for camp attendance are required of all campers for the protection of the entire camp group. The immunization requirement is waived for persons with beliefs against immunization." An *Immunization Waiver Form* can be found on the Summit Web site and in the appendix to this guide. This form should be submitted prior to arrival at camp, by e-mail, to summithealthlodge@scouting.org.

IMMUNIZATIONS

Verification is required that adequate tetanus immunization has been given within the last ten years prior to arrival at the Summit. If the inoculation is provided at the Summit, the participant will be charged accordingly. Other suggested immunizations are listed on the Scouting America *Annual Health and Medical Record*.

GENERAL HEALTH AND SAFETY TIPS

- Wear closed-toe shoes at all times.
- Bring water shoes (or shoes that can get wet) for aquatics activities, including whitewater rafting.
- Use sunscreen and insect repellent daily. Check for and remove ticks daily.
- Carry a flashlight when walking at night.
- Shake out clothes and shoes before wearing them.
- Keep food and other smellable items out of tents.
- Shower daily.
- Drink plenty of water.
- Use the buddy system.

ENVIRONMENTAL HEALTH & SAFETY

ENVIRONMENTAL HEALTH AND SAFETY

The Summit is an out-of-doors environment. Scouts and leaders should be mentally and physically prepared for participation in strenuous adventures. In addition to individual and group physical preparation, there are several other factors to keep in mind when preparing for a visit to the Summit.

WILDLIFE AT THE SUMMIT

Like many camps, the Summit is full of wildlife, and participants share the wild and wonderful environment with these animals. While here, participants are likely to encounter deer, turkey, snakes, fish, birds, insects, and other creatures. While less common, black bears are present on-site, and sightings are regular. Respect for wildlife and the shared environment is important, and a critical piece of the human-wildlife relationship is proper food handling. For the safety of participants and the Summit wildlife, no food or other smellable items (like toiletries) may be stored in tents; all food and smellable items should be secured, in a smell-proof container or in a vehicle or trailer. Failure to practice proper smellable storage may be an invitation to unwanted visitors!

HEAT AND HYDRATION

Summit summers are hot. All participants should stay hydrated by drinking plenty of water and limiting the intake of non-water beverages during their stay. Scouts and adults alike should pay attention to signals from their bodies to ensure that they are maintaining a sufficient intake of water throughout the day and throughout their stay. While there is no single set of water-consumption advice that fits everyone, some excellent guidance exists online and through other resources.

WASTE DISPOSAL

Waste receptacles, designed to be bear-resistant, are located throughout the Summit site. Trash should be disposed in these bins. Food and smellable waste should not be disposed in shower house trash receptacles, as these are not bear-proof. Please be mindful of the Summit environment by removing all waste properly and by policing camping and program areas.

CLOSED-TOE SHOES: REQUIRED!

All activities at the Summit require closed-toe shoes for participation. The Summit leadership recommends bringing appropriate footwear for the offered activities, including hiking boots/shoes, tennis shoes (and/or skate/biking shoes), and water shoes (closed-toe and closed-heel sandals, old tennis shoes, etc.). Sandals or flip flops are recommended for shower houses, though participants should change back to closed-toe shoes before leaving shower facilities.

EMERGENCY PROCEDURES

The Justice National Scout Camp follows emergency procedures and plans specific to its programs, operations, and situations. These procedures and plans will be reviewed and practiced, through simulation, with participants within twenty-four hours of arrival at the Summit.

PARTICIPANT IDENTIFICATION

All participants, youth and adult, will be provided with a wristband, which must be worn at all times while on Summit property. Wristband wear is critical for identifying participants and stakeholders (other visitors to the site). If needed, replacement wristbands can be requested from the leadership of the program in which the unit is participating.

THE SUMMIT HEALTH LODGE

At the time of publication, the Summit Health Lodge is located in the Delta Dorm lower floor gathering room. The Delta Dorm is conveniently attached to Pigott Dining Hall, where Scout Camp participants eat meals during camp. The Summit Health Lodge is open and accessible throughout the day, and qualified medical personnel are available twenty-four hours a day, seven days a week, to respond to any medical needs. Participants are welcome to visit the Summit Health Lodge on a walk-in basis. Any individual can call the Summit Operations Center (S.O.C.), at 304-465-2800, twenty-four hours a day, seven days a week, to request emergency assistance or medical personnel dispatch.

REMEMBER THE SETTING

The Summit is a high-adventure environment. Physical preparation and a positive attitude are necessary. A Scout is cheerful!

YOUTH PROTECTION HIGHLIGHTS

YOUTH PROTECTION EXPECTATIONS

All participating adults, eighteen or older, must present verification of completed, current Youth Protection Training, which is required for adult registration in any program of the Scouting America. Venturing participants who are eighteen years old or older are considered adults in Scouting America and must complete Youth Protection Training. All adults and youth are expected to abide by the policies, procedures, and guidelines detailed in the training. Documentation of completed Youth Protection Training can be obtained from individual my.Scouting profiles or from the local council.

HAZING AND DISCIPLINE

Any form of hazing, initiation, ridicule, or inappropriate teasing is prohibited and will not be allowed under any circumstance. Activities like snipe-hunting and other rituals are included in this prohibition. Any form of disciplinary action must be constructive and must meet the standards of the Youth Protection policies of Scouting America. Involvement by individuals in any of the aforementioned activities may result in removal from the Summit property.

NOTES ON CONDUCT

The Scout Oath and Law serve as the standards for all interactions between participants (youth and adult) and staff members. The Summit and Scouting America serve individuals from diverse backgrounds and experiences. Any behavior that belittles, harasses, or makes an individual uncomfortable is unacceptable. Remember, a Scout is kind!

Each unit should develop procedures to mitigate and address instances of inappropriate/unacceptable behavior. Expectations and consequences should be set, understood, and acknowledged with all Scouts, parents/guardians, and adult participants during contingent pre-trip planning. These expectations should align to the Scout Oath and Law and the policies of the Scouting America.

Contingent leaders are responsible for the participants in their charge during their entire stay at the Summit; no supervision from Summit full-time or seasonal staff will be provided. If a participant, youth or adult, is removed from a Summit program in which they are participating, they (and/or their family) will be responsible for traveling home at their own expense. In the case of a removal of a youth participant, an adult contingent leader will be required to assist with the removal arrangements.

SCOUTER CODE OF CONDUCT

Adult leaders are expected to model positive behaviors, informed by the Scout Oath and Law, Youth Protection Training, and the Guide to Safe Scouting. See the separate appendix to this guide for the *Scouter Code of Conduct*, which summarizes the basic expectations for adults participating in a Summit adventure (or any Scouting activity).

FIREARMS

Personal firearms, including bows, and ammunition are not allowed on Summit property. The Summit supplies all firearms and ammunition used for target sports programs. The use of personal firearms is not permitted on any of the ranges at the Summit. Personal firearms are not allowed on the Summit property for any reason.

TOBACCO USE

For adults, over the age of twenty-one, the Summit leadership strongly discourage the use of tobacco products on the property. Smoking, vaping, and the use of smokeless tobacco are prohibited in and around all buildings, tents, vehicles, and trails of the Summit. Tobacco use by adults must be confined to areas out of sight of participants. Summit staff members can direct adults to appropriate places to use tobacco products. Visit cdc.gov/tobacco/campaign/tips/quit-smoking for tobacco-cessation resources.

ALCOHOL AND DRUGS

Possession or use of alcoholic beverages or unprescribed drugs (including marijuana) or abuse of prescribed drugs are expressly prohibited on the Summit property and while participating in any Summit event or program. Individuals or groups found in violation of this policy will be removed from the property immediately at their own expense. Legal action may be pursued if deemed appropriate.

ARRIVAL PREPARATIONS & NOTES

ARRIVAL PLAN

In April, the unit leader will receive instructions, by e-mail, on how to complete the unit arrival plan information form. Unit leaders will indicate the method of travel, anticipated arrival time, and other key facts. Early arrival and late departure arrangements will be confirmed through this system, too.

ARRIVAL LOCATION

All units should enter the property through the North Gate entrance of the Summit, which is located at **2550 Jack Furst Drive, Glen Jean, West Virginia 25846**. The attendant at the North Gate Guard Shack will provide to all drivers a map to the **Pigott Headquarters building**, where check-in is located. (See the following page for detailed information on the check-in process.)

ARRIVAL TIME

Units should plan to arrive at the North Gate of the Summit between 1:00 p.m. and 4:00 p.m. (earlier is better!) on their check-in day (Sunday of the week of camp). Arriving during this window ensures a smooth check-in process and allows time for a camp tour and orientation. Units are welcome to arrive at camp before or after this window, and unit leaders can report an estimated arrival time on the arrival plan. If unexpected delays occur, please notify the Summit registration team by calling 304-465-2900. Calling helps the team adequately prepare for a later arrival.

EARLY ARRIVALS AND LATE DEPARTURES

Units may elect to arrive at the Summit one day earlier than the start of their Scout Camp session and/or may opt to stay one day after the conclusion of their selected program. A fee of \$75.00 per person, per night, will be charged to the unit account to cover the additional costs for the added time. Unit leaders must make arrangements for early arrival or late departure with registration supervisor Cristi Richardson, by calling 304-465-2817.

Please note that early arrival and/or late departure arrangements include food and camping space only. Additional activities or programs are not available. Units are welcome to engage in self-directed activities during this/these times. Unit/contingent adults must ensure that all Scouting America Youth Protection standards, including two-deep leadership and no one-on-one contact, are enforced.

TRANSPORTATION ARRANGEMENTS

Generally, units/contingents are responsible for transportation to and from the Summit. For units arriving to the area at the Beckley-Raleigh County Airport or the Prince or Thurmond Amtrak stations, the Summit transportation team does provide shuttling services, at a cost of \$45.00 per person, round trip. Shuttling services for units are not provided by the Summit from the Charleston Yeager Airport.

A NOTE ON TRAIN SCHEDULES

For units traveling by train, current schedules do not allow for arrival during the check-in window. Additionally, it is not uncommon for the train to be delayed by two or more hours. Please alert the registration team, by e-mailing Summit.Program@scouting.org, if planning to travel by train.

TRANSPORTATION OPTIONS

The Summit has an agreement with the Beckley, West Virginia, Enterprise Rent-A-Car (on Harper Road) that allows units (or individuals) to arrange a vehicle for drop-off and pick-up, without charge, for the duration of the program session. The Beckley location must be contacted directly, at 304-252-1227.

ARRIVAL DAY, CHECK-IN, & ORIENTATION

CHECK-IN AND PAPERWORK

On arrival at the Summit, the friendly and helpful registration team will guide the senior patrol leader and adult leader(s) through the check-in process and ensure that all forms are completed and all accounts are settled. Please review this section carefully to be prepared on arrival day!

ITEMS TO BRING TO CHECK-IN

The following are items that should be prepared for check-in:

- Scouting America *Annual Health and Medical Record* Copies: All participants, youth and adult, must have a completed, appropriately-signed copy of the *Annual Health and Medical Record* (Summit-specific version or parts A, B1, B2, and C).
- Summit Waiver: Required for all participants, youth and adult, this form must be completed online. A parent/guardian must sign/approve waivers for participants under the age of eighteen.
- Youth Protection Training Documentation: The unit/contingent must provide verification that all participants age eighteen or older have completed Youth Protection Training within the past two years.
- Whitewater Rafting Waivers: Required for attendees, youth and adult, who are participating in whitewater rafting while at the Summit. A parent or guardian must sign waivers for participants under the age of eighteen. This form is completed and submitted online.
- *Swim Classification Record*: All aquatics activities at the Summit require completion of the swim classification test, by youth and adult participants, with a swimmer designation. This record is available in the appendix to this guide and on the Summit Web site.
- Outstanding Fees: Only checks, made payable to Scouting America, will be accepted at check-in at the Summit (though units/contingents should have paid all registration fees prior to arrival at the Summit).

ORGANIZING PAPERWORK

Please sort any individual paperwork alphabetically by type; do not sort paperwork by individual participants. Sorting and organizing paperwork prior to departure for the Summit is recommended.

MEDICAL RECHECKS

At check-in at the Summit, every participant, youth and adult, will undergo a medical recheck, a process in which the individual meets with a member of the Summit medical team to review each *Annual Health and Medical Record*, medications, and any specific needs. See pages 13-14 of this guide for specific information on medical rechecks.

WHAT TO BRING FOR MEDICAL RECHECKS

Unit adult leaders should coordinate to ensure that the following required paperwork and items are gathered and prepared for the medical recheck process:

- Scouting America *Annual Health and Medical Record* (one copy per person, organized alphabetically)
- Any prescription medications (for individuals who use them; medical staff will review with individual)
- Inhalers and EpiPens (if required)
- Unit first aid kit (possession will be verified)

Parents/guardians should review with the unit/contingent adult leaders medications their Scout(s) uses and any other medical concerns prior to departure for the Summit.

GETTING SETTLED AT CAMP

On arrival in the parking area near Pigott Headquarters building, a troop guide will meet the unit to begin the camp tour and orientation. After check-in is completed, the unit leader and the senior patrol leader will rejoin the troop and head to the campsite to begin camp set-up and embark on a brief (but informative) camp walking tour, including visits to the Pigott Dining Hall, some program areas, and other points of interest. Units will be provided with base camp boxes that contain a variety of camp and individual scheduling information.

PARKING AT JUSTICE NATIONAL SCOUT CAMP

Units are permitted to leave a trailer and the vehicle attached to it or one vehicle in the campsite. All other vehicles must be parked in the Delta Base Camp parking areas.

UNIT PHOTOGRAPHS

The media team of the Summit takes unit photographs during each week of camp. Typically, photographs are taken outside of Pigott Dining Hall, around dinnertime on one night during the week. These photos are uploaded to the Summit Flickr account, from which individuals can access, download, and order prints of these photographs.

MEETINGS & COMMUNICATION AT CAMP

SUNDAY WELCOME LEADER MEETING

A first-day meeting will be held for Scoutmasters, senior patrol leaders, and other key youth and adult leaders on Sunday evening at the Pigott Headquarters Pavilion (affectionately known as the Gas Station); this meeting is scheduled to occur at 6:00 p.m. at the time of publication, but the exact time could differ. Information about this key leadership meeting will be shared with participants at arrival by their troop guide at check-in.

DAILY LEADER MEETINGS

Adult leader meetings will be held in the Pigott Headquarters building each morning, Monday through Friday, at 9:30 a.m. (though this time could change). While youth leaders are welcome at this meeting, the meeting will be held while morning program sessions are occurring. Typically, only adults participate in these daily meetings to ensure that Scouts maximize their time at camp.

YOUTH LEADER (S.P.L.) MEETINGS

Youth leader meetings will be held on certain days during the week; exact meeting times will be shared at camp. These meetings will be hosted by the program director, and all (acting) senior patrol leaders are invited to attend.

LEADER MEETING PHILOSOPHY

In addition to Webinars held before camp begins, there will be daily leader meetings for the leaders of the Justice National Scout Camp. While the camp leadership strives to make information about the program and processes of Scout Camp accessible, please do not hesitate to contact the Summit leadership if there are any questions. For Scout Camp-specific questions, including merit badge and program registration, contact Camp Director Johnny Tracy, at 901-489-6027 or Johnny.Tracy@scouting.org; for general program questions or questions about registration and payment, e-mail Summit.Program@scouting.org.

MOBILE NOTIFICATION PLATFORM: REMIND APP

The James C. Justice National Scout Camp utilizes the Remind mobile application to communicate with participants (primarily adults). Important messages about programs adjustments will be shared on this platform. Additionally, the Summit Operations Center (S.O.C.) Issues messages about weather conditions and other health, safety, and security considerations. Information about accessing the Scout Camp group on the Remind mobile application will be shared with leaders during the arrival process.

CHAPLAIN AIDE MEETING (YOUTH)

A Sunday evening meeting for unit chaplain aides will be held each week. The youth participant elected or designated to serve in this role will take part in a brief orientation meeting led by the seasonal camp chaplain. This meeting is required for the individuals serving in this role, and it will cover the roles and responsibilities of the chaplain aide. Unit chaplain aides assist unit members in earning the Summit Duty to God Award. This meeting will be held in the Pigott Headquarters building, likely around 6:30 p.m., though final details will be shared at camp.

OUTDOOR ETHICS GUIDE MEETING (YOUTH)

A Sunday evening meeting for unit outdoor ethics guides will be held each week. The youth participant elected or designated to serve in this role will take part in a brief orientation, led by the ecology and conservation director. The meeting will cover the roles and responsibilities of the individual serving in this position. The outdoor ethics guide plays a key role in assisting unit members in earning the Summit Sustainability Award. This meeting will be held in the Pigott Headquarters building, likely around 6:30 p.m., though final details will be shared at camp.

SCOUT CAMP PROGRAM PREPARATIONS

THE SCOUTING AMERICA SWIM CLASSIFICATION TEST

Unit must bring two copies of the completed BSA *Swim Classification Record*. Every member of the unit, youth and adult, should be listed on the *Swim Classification Record* as a *nonswimmer*, *beginner*, or *swimmer*, based on the results of the Scouting America swim classification test. All participants who wish to participate in an aquatic activity must have completed their swim test with a classification as a *swimmer*. This includes whitewater rafting. The Scouting America *Swim Classification Record*, which contains an area to list the names of all unit/contingent members and details the swim classification test, is included in the appendix to this guide and is available online.

BUDDY TAGS: ESSENTIAL FOR AQUATIC SAFETY

The Summit provides each unit with buddy tags and appropriate markers at check-in. A unit leader will need to fill out the buddy tags based on the Scouting America *Swim Classification Record*. All buddy tags will need to be turned in by the unit to the aquatics area once complete. Any participant, youth or adult, who participates in any onsite or offsite aquatics activities must be classified as a swimmer (though there are exceptions for Justice Scout Camp participants in instructional swimming or Swimming merit badge sessions). Though an aquatics activity may not be scheduled for a participant, there may be opportunities to visit aquatics venues at the Summit. Additional information about buddy tags is included in the appendix to this guide.

NOTE ON BUDDY TAGS

Buddy tags are not used on whitewater rafting trips, though participants must be classified as *swimmers*, after completion of the Scouting America swim classification test, to participate in these programs.

AERIAL SPORTS ACTIVITIES WEIGHT REQUIREMENT

The engineering and safety systems used in place at the aerial activities at the Summit require participants to meet certain weight guidelines to participate in our climbing, rappelling, bouldering, canopy tour, challenge course, and zip line activities. Participants in these activities must weigh between fifty (eighty for Alexander's Eagle Flight) and two hundred fifty pounds (including clothes), regardless of height.

PERSONAL PROTECTIVE EQUIPMENT (P.P.E.)

Many activities offered at the Summit require the use of personal protective equipment (P.P.E.). The Summit owns an array of equipment to fit most shapes and sizes. On rare occasions, a unique body type may not fit safely into the equipment. If a participant cannot wear the appropriate equipment as it is intended to be worn, they may not be able to participate in that activity. For any concerns about this, please e-mail summithealthlodge@scouting.org before arrival, and the health and safety and program teams will work to provide reasonable accommodation, if possible. See the next page for additional details and notes on equipment.

PROGRAM SCHEDULING & NOTES

SCHEDULING

The James C. Justice National Scout Camp uses a block schedule, in which merit badge(s) and other program sessions are instructed in (approximately) three-hour blocks in the mornings and afternoons. Many merit badges and other programs are conducted fully in a single morning or afternoon session. Several merit badges, including all target sports merit badges, occupy full, single-day sessions. There are several merit badges, including First Aid and Cooking, that are conducted in the mornings or afternoons over two days; the purpose of this structure is to ensure that Scouts receive the best experience in these badges (for example, in the Cooking merit badge, food is purchased between one session and the next based on menus that Scouts create during the first session).

SAMPLE INDIVIDUAL SCOUT PROGRAM SCHEDULE

This sample schedule includes merit badge sessions and other trainings, individually-selected activities, and camp-wide programs. Many of these sessions will be scheduled through Black Pug, the merit badge registration platform, while others can be selected at camp (or, in some cases, Scouts can just show up for a desired session). The schedule for each and every Scout will be unique; the purpose of this sample schedule is to show what a week at camp might look like!

TWO-DAY MERIT BADGES

When registering for merit badges that meet on more than one day, leaders or parents/guardians only need to register for one session of the badge. After registering, the second session, which will always be held on the following day, will automatically be added. Swimming merit badge, in the above schedule, is an example of a two-day merit badge program.

MERIT BADGE AND PROGRAM SESSION EXPECTATIONS

Engaged attendance and active participation, throughout the session(s), are required in order to fully complete the merit badge or award for which a Scout is registered. Scouts who do not meet the basic behavioral and participation expectations set by instructors may not complete all the requirements or finish a badge. The staff will make a concerted effort to discuss any situations like this with the unit leader(s) or parent(s)/guardian(s), if attending, as quickly as possible.

MERIT BADGE SESSIONS AND PREREQUISITES

The following pages outline the programs, primarily merit badges, that have requirements that must be met for completion. Unit leaders, Scouts, and parents/guardians are encouraged to review this list thoroughly to ensure awareness of merit badges that have requirements that cannot be completed at camp (indicated in this guide as prerequisites, under each merit badge description). Scouts should plan to complete any requirements listed for any badges in which they are participating outside of camp. Scouts can complete prerequisites prior to camp and bring with them proof of completion; counselors will approve work for requirements that meets the spirit and standard of the requirement. If a prerequisite is not completed prior to camp, the Scout will need to complete the requirement(s) after camp, with a merit badge counselor in the local council.

PROGRAM NOTES & BUY-UP PROGRAMS

MERIT BADGE AND PROGRAM REGISTRATION

Primary reservations are placed and camp fees are paid online (at summitbsa.org), through the Scouting America registration platform for National High Adventure Bases and national programs. This platform is not used for individual merit badge and program registration.

The Black Pug platform, feature-rich, built specifically for Scouting, and familiar to many adult leaders and parent(s)/guardian(s), is used by the Justice National Scout Camp for merit badge and program registration. This platform is feature-rich and built specifically for summer camp program registration. In the spring, usually around the beginning of March, detailed access and use instructions for Black Pug will be e-mailed to primary leaders. **Merit badge and program registration for all sessions will open on or around Thursday, April 17, 2025; the usual launch time is 7:15 p.m. (E.T.).**

WHO COMPLETES MERIT BADGE AND PROGRAM REGISTRATION?

Primary unit leaders, named owners of registrations in Black Pug, can make selections for the Scouts in their unit. Primary unit leaders can also enable the Parent Portal feature of Black Pug, which enables parent(s)/guardian(s) to make merit badge and program selection for their Scout(s).

MERIT BADGE AND PROGRAM REGISTRATION ASSISTANCE

The full-time leadership of the James C. Justice National Scout Camp is always available to assist with merit badge and program registration on the Black Pug platform, including name entry, program registration, and troubleshooting. Please contact Johnny Tracy, Camp Director, at 901-489-6027 or Johnny.Tracy@scouting.org, to request assistance!

MERIT BADGE AND AWARD COMPLETION REPORTING

The Black Pug platform generates reports from entered data that reflect the requirements completed by Scouts for each of the merit badges (or other programs) for which they registered. These reports also indicate whether a merit badge or other program was completed or not. The Justice National Scout Camp staff do not issue blue card records or sign *Scout Handbooks* for rank completions. Digital blue card records can be generated from the Black Pug registration platform from the user side, and unit leaders may sign *Scout Handbooks*, if that is the preferred method of tracking advancement progress.

BUY-UP PROGRAMS: A TASTE OF HIGH ADVENTURE

High-adventure buy-up programs offer Scouts and adult leaders opportunities to engage in amazing adventure activities at the Summit and on the New River. The available programs are detailed, by area, in the following pages, and a reference table is included here. Registration for these buy-up programs can be placed and paid through the Black Pug registration platform, on which they will be listed as available programs next to regular merit badge sessions. Spots for buy-up programs are limited and vary by session. Available spots will be open on Black Pug when the registration opens, but, because of limited space, registration on-site may not be possible.

SCOUTCRAFT (OUTDOOR SKILLS)

THE SCOUTCRAFT (OUTDOOR SKILLS) PROGRAM

The Scoutcraft (outdoor skills) area is the go-to place for all things Scouting skills and outdoor fun! With instruction in first aid, camping, cooking, navigation, and other traditional skills, Scouts will advance, explore, and have fun! Numerous advancement and enrichment programs are offered in this area, facilitated by experienced counselors.

SCOUTCRAFT MERIT BADGES

CAMPING MERIT BADGE

Camping is one of the best-known methods of the Scouting movement. When he founded the Scouting movement in the early 1900s, Robert Baden-Powell encouraged every Scout to learn the art of living out-of-doors. Individuals who can take care of themselves while camping will also be prepared to meet an array of other challenges!

Prerequisites: 4b, 5e, 7b, 8d, 9a, 9b

COOKING MERIT BADGE (\$10.00 FEE)

The Cooking merit badge introduces principles of cooking that can be used both at home and in the outdoors. Scouts who earn this badge will learn about food safety, nutritional guidelines, meal planning, food preparation, and will review a variety of culinary careers. Scouts will gain hands-on cooking experience throughout the Cooking merit badge course!

Prerequisites: 2c, 4a-e, 6d-e

EMERGENCY PREPAREDNESS MERIT BADGE

Scouts are often called upon to help because they know first aid and they know about the discipline and planning needed to react to an emergency situation. Earning this merit badge helps a Scout to be prepared by learning the actions that can be helpful and needed before, during, and after an emergency.

Prerequisites: 1, 2c, 6c, 8b, 9a-c

FIRST AID MERIT BADGE

Scouts will practice being prepared for when a medical emergency strikes. A variety of health, safety, and medical topics characterize this all-important merit badge, and Scouts will have the opportunity to learn, apply, and transfer first-aid skills and knowledge. They should come with a serious attitude because the skills they learn here might save a life!

Prerequisites: 1, 5a, 5b, 16 (must be completed outside of the session)

GEOCACHING MERIT BADGE

The word geocache is a combination of “geo,” which means “earth,” and “cache,” which means “a hiding place.” Geocaching describes a hiding place on planet Earth—a hiding place you can find using a G.P.S. unit. This merit badge is a great introduction for Scouts who need some direction and/or want to develop a lifelong hobby!

Prerequisites: 7, 9 (These requirements may be completed at camp.)

SCOUTCRAFT (OUTDOOR SKILLS)

SCOUTCRAFT MERIT BADGES (CONTINUED)

PIONEERING MERIT BADGE

Learn the rustic construction techniques used by the pioneers of old. Scouts will learn a wide variety of knots, lashings, and splices. They will then use these skills and spar poles to create camp gadgets such as tables, a bridge, or a flag pole. Scouts will be amazed by the awesome power of rope and the skills and abilities they develop!

Prerequisites: None

RADIO MERIT BADGE

It's time to ride some (radio) waves! Scouts will explore the various types of radios and will delve into the science and technology that make radio communication possible. Scouts will get the opportunity to use radio equipment, under the supervision of the counselor, and probably even communicate with extraterrestrials!

Prerequisites: None

SEARCH AND RESCUE MERIT BADGE

A search is an emergency situation requiring a team of trained searchers to locate a missing person. A rescue is an emergency situation where a person's location is known—perhaps having just been found by searchers—and he or she must be removed from danger and returned to safety. Scouts will learn and practice the essential skills of both!

Prerequisites: None

SIGNS, SIGNALS, AND CODES MERIT BADGE

Scouts get to learn the inner workings of various signs, signals, and secret codes that are present all around us in our everyday lives. Scouts will learn parts of Morse code, American Sign Language, semaphore, braille, trail signs, and more before delving into cryptography.

Prerequisites: None

WILDERNESS SURVIVAL MERIT BADGE

Learn the skills of self-reliance and how to build shelters and start fires from nothing. This merit badge requires an overnight camping trip where Scouts will build their own survival shelter and spend the night in it. Requirement 5 requires putting together a personal survival kit, which Scouts should assemble and bring to camp.

Prerequisites: 5, 8 (Scouts must stay overnight in their shelter to complete requirement)

SAFETY MOMENT: BLACK BEARS AT THE SUMMIT

The Summit is home to a variety of wildlife, including American black bears. Black bears are generally gentle and timid, and, in fact, demonstrate several parts of the Scout Law, as they are loyal and friendly. Though black bears usually pose no threat, participants should take steps to avoid attracting bears to areas in which camping or activities occurs. Mainly, this means properly disposing trash and keeping food stored correctly—not in tents! Report bear sightings to the Summit Operations Center (S.O.C.), by calling 304-465-2900.

BROWNSEA ISLAND (FIRST-YEAR SCOUTS)

THE BROWNSEA ISLAND PROGRAM FOR FIRST-YEAR SCOUTS

Brownsea Island (B.S.I.) sits in the center of Goodrich Lake East. Named after the island in England where Lord Baden-Powell first experimented with the concept of Scouting in 1907, it is the perfect location for the Justice National Scout Camp Brownsea Island First-year Camper Program. Here, new Scouts will work on rank-advancement requirements through First Class, develop new Scouting friendships, and learn and apply Scouting skills and concepts. The focus of this half-day program is for first-year Scouts to have fun while being introduced to Scout skills, camping, and advancement, so that they are excited about returning to camp and staying involved in their unit.

PROGRAM DESCRIPTION

The Brownsea Island program offers first-year Scouts the opportunity to make strides in their Scouting advancement journey, as they work on rank requirements for the Scout, Tenderfoot, Second Class, and First Class ranks. Work on these requirements includes completion of the Totin' Chip and Firem'n Chit.

BROWNSEA ISLAND STRUCTURE (NEW FOR 2025!)

Brownsea Island is a week-long (Monday through Thursday) half-day program offered to Scouts as an all-morning session (8:30-11:30 a.m.) or an all-afternoon session (1:30-4:30 p.m.). Scouts should register for only one session of Brownsea Island, and the remaining time can be filled with other merit badge or program selections.

WHY IS BROWNSEA ISLAND NOW A HALF-DAY PROGRAM?

Beginning in the 2025 season, the Brownsea Island program will be offered as two separate sessions (one in the morning and one in the afternoon) instead of a single, full-day session as it has been in past years. This adjusted structure allows for smaller session sizes and, most importantly, allows Scouts to make their own selections for some merit badges and programs!

CHANGES TO NOTE ABOUT THE BROWNSEA ISLAND PROGRAM

The First Aid and Swimming merit badges are no longer included as part of the Brownsea Island program, though these programs are offered in morning and afternoon sessions, so Scouts can opt to work on these merit badges!

WHO SHOULD PARTICIPATE IN B.S.I.?

The Brownsea Island program focuses on Scouts' advancement to First Class. Scouts who have made significant progress toward this rank may want to consider other programs.

TIME	MONDAY-THURSDAY
8:30-11:30 a.m.	Morning B.S.I. session
1:30-4:30 p.m.	Afternoon B.S.I. session
<i>Scouts should select one session (morning or afternoon).</i>	

BROWNSEA ISLAND STAFF AND VOLUNTEERS

Brownsea Island is staffed with dedicated, experienced Scouters who will ensure that the participating Scouts receive a robust experience. That said, volunteer support is always appreciated! Please contact Camp Director Johnny Tracy, at Johnny.Tracy@scouting.org or 901-489-6027, before camp, or discuss volunteer opportunities with the Justice National Scout Camp Program Director or the Brownsea Island Lead Instructor at camp.

PROGRESS REPORTING

Progress made by Scouts participating in the Brownsea Island program is reported through Black Pug, the registration platform used by Justice National Scout Camp. Individual Scout *Handbooks* are not signed. Please see the administrative staff with any questions.

OTHER SCOUTCRAFT PROGRAMS/TRAININGS

PAUL BUNYAN AWARD

The Paul Bunyan Award encourages the proper training on and use of wood tools, training others in Totin' Chip skills, creating simple outdoor projects using these tools, and completing a relevant service project. This award, which is one of the least-earned in the Scouting America program, is offered to Justice National Scout Camp participants during each session of camp. See the *Program Schedule* for opportunities to participate in this unique course!

WILDERNESS SURVIVAL OVERNIGHTER

On Thursday evenings during each session of camp, the Scouts participating in the Wilderness Survival merit badge will participate in an overnight experience, during which they will spend the night in shelters they have made. This satisfies a requirement for the Wilderness Survival merit badge. While Scouts are encouraged to participate, Scouts may choose to complete this requirement after their session of camp; in this case, the Scout will only achieve a partial completion of the Wilderness Survival merit badge.

THE FIREM'N CHIT

The Firem'n Chit is awarded to Scouts who demonstrate proficiency and safety when performing campfire-related duties. The Scoutcraft and Outdoor Skills staff will work with Scouts to complete the requirements for this award, which, after earned, grants a Scout the right to carry matches and build campfires. All Scouts should earn the Firem'n Chit!

THE TOTIN' CHIP

The Totin' Chip is a classic Scouting award that grants a Scout the right to carry and use wood tools, including a pocketknife. The Scoutcraft and Outdoor Skills staff will facilitate this training for Scouts, including the proper handling, use, and care of axes, saws, and pocketknives. Scouts must have a Totin' Chip to carry or use a pocketknife, and a Scout must present their Totin' Chip at the trading post for any pocketknife purchases.

OPEN SCOUTCRAFT/OUTDOOR SKILLS PROGRAMS

On Tuesday and Thursday evenings and on Friday during the day, the Scoutcraft and Outdoor Skills program area will be open to Scouts who want to hone their Scouting skills, like fire-building, knot-tying, cooking, or pioneering. Scouts will also be able to earn their Firem'n Chit and Totin' Chip during these times. (Brownsea Island Scouts will work on these achievements during the normal course of that program.)

TREK SAFELY (ADULTS)

Trek Safely is an adult leader training intended to help prepare leaders and units plan and carry out safe trekking experiences. In this training, seven key safety points are reviewed. While this course does not cover trekking skills, it is a valuable introductory training for Scouters, especially new leaders interested in making new opportunities available to their Scouts! This course is offered on Tuesday evenings during each session.

INTRODUCTION TO OUTDOOR LEADER SKILLS (I.O.L.S.) (ADULTS)

The Introduction to Outdoor Leadership Skills (I.O.L.S.) course is a key training for Scouts BSA leaders, including Scoutmasters and assistant Scoutmasters. This course provides leaders with the practical knowledge necessary to help Scouts learn and apply outdoor skills. It emphasizes safety in the outdoors; the use of the patrol method and creating a youth-led unit; and other Scouting skills and techniques. This course begins on Thursday evening and continues through Friday afternoon during each session of camp.

POTENTIAL ADDITIONAL SCOUTCRAFT PROGRAMS

The Justice National Scout Camp leadership team considers program and training additions throughout the year. As such, other program opportunities and/or trainings may be added before camp. Make sure to tune in for the Webinars to learn about any potential additions!

AQUATICS

THE AQUATICS PROGRAM

Goodrich Lake is the home to the Justice Scout Camp's aquatics activities, including paddleboarding, kayaking, and swimming. Goodrich Lake is a manmade lake, separated into two sections by a dam: Goodrich Lake East and Goodrich Lake West. Most aquatics activities take place on Goodrich Lake West, while fishing programs are on Goodrich Lake East.

AQUATICS MERIT BADGES

CANOEING MERIT BADGE

Scouts will learn how to navigate their canoes through the beautiful waters of Goodrich Lake West, as they enjoy a centuries-old conveyance and leisure activity. Scouts will discuss proper preparation and equipment needed for a safe canoeing expedition and learn and practice various paddle strokes and maneuvers.

Prerequisites: None, though Scouts must be classified as swimmers to participate.

KAYAKING MERIT BADGE AND KAYAKING BSA AWARD

This merit badge introduces Scouts to recreational kayaking and helps prepare them for advanced paddle sports like whitewater kayaking. The skills instructed in the Kayaking merit badge session are foundational and open up opportunities for other adventure experiences. This is a great badge to take before a whitewater trip on the New River!

Prerequisites: None, though Scouts must be classified as swimmers to participate.

LIFESAVING MERIT BADGE

No Scout ignores a plea for help, but it is critical that they know the best way to provide aid. The main purpose of the Lifesaving merit badge is to prepare Scouts to assist those involved in water accidents, teaching them the basic knowledge of rescue techniques, the skills to perform them, and the judgment to know when and how to act.

Prerequisites: 2a (including swimmer classification); C.P.R./First Aid cert. recommended

ROWING MERIT BADGE

Rowing, the use of oars as a means of propelling boats, has grown from a basic method of transportation to a competitive sport and an enjoyable method of exercising. Scouts are invited to hone their rowing skills on the picturesque Goodrich Lake West as they learn the skills and attitudes they will need to join the Summit Crew!

Prerequisites: None, though Scouts must be classified as swimmers to participate.

SWIMMING MERIT BADGE

Swimming is a leisure activity, a competitive sport, and a basic survival skill. Scouts who earn this badge will learn about safety when swimming and diving, how swimming can contribute to overall fitness and health, and gain some basic competitive swimming skills (and maybe become the next Olympic swimmer!).

Prerequisites: None, though Scouts must be classified as swimmers to participate.

Scouts and leaders should complete the Scouting America swim classification test before camp!

OTHER AQUATICS PROGRAMS & TRAININGS

SCOUTING AMERICA STAND UP PADDLEBOARDING AWARD

The Scouting America Stand Up Paddleboarding Award introduces Scouts to the basics of stand up paddleboarding, including skills, equipment, self rescue, and safety precautions, while encouraging Scouts to develop paddling skills that promote fitness and safe aquatics recreation.

The Justice National Scout Camp *Program Schedule* will list scheduling options.

SCOUTING AMERICA MILE SWIM

Mile Swim is the program for Scouts and adults looking for the ultimate swimming challenge! Participating Scouts and adults must attend practice sessions throughout the week before attempting to swim one mile in Goodrich Lake West on Friday. Additional information about practice sessions and scheduling will be available on the Justice National Scout Camp *Program Schedule*, and more details will be shared with participants at camp.

INSTRUCTIONAL SWIMMING

Instructional Swimming is for Scouts in the non-swimmer and beginner swimming ability groups. The instruction will work to improve their swimming skills and aim toward advancing to the next ability group. The beginner's test completes requirement 7 for the Second Class rank, and the swimmer test completes requirement 9 for the First Class rank. This session is offered concurrently with all Swimming merit badge sessions. The Justice National Scout Camp Program Schedule, which will be shared with registered leaders, will show scheduling options.

OPEN BOATING, STAND UP PADDLEBOARDING, AND SWIMMING

On Tuesday and Thursday evenings and on Friday, Scouts and leaders can visit Goodrich Lake West for open boating (canoeing, kayaking, rowing), stand up paddleboarding, and swimming fun!

WATER REALITY

Scouts and leaders are invited to visit the challenging Water Reality (water obstacle) course of the Summit, located in Goodrich Lake West, on Tuesday and Thursday evenings and on Friday. (These times are subject to change, and final times will be shared with leaders at camp.)

SWIMMING AND WATER RESCUE TRAINING

The Swimming and Water Rescue Training provides adult leaders with information and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It expands the awareness instruction provided by Safe Swim Defense training (a prerequisite, which can be completed online). Individuals completing the training should be better able to assess their preparation to supervise unit swimming events. Scouting America recommends that at least one person with this training is present to assist with supervision whenever a unit swims at a location that does not provide lifeguards. See the *Program Schedule* for additional information about this training, for which adults can register on the Black Pug platform or simply show up.

PADDLE CRAFT SAFETY TRAINING

Float trips are popular Scouts BSA and Venturing activities. Safety Afloat awareness training (a prerequisite) provides guidelines for safe float trips and is required of unit leaders but does not provide the skill training mandated by those guidelines. The Paddle Craft Safety course expands Safety Afloat training to include the skills, as well as the knowledge, needed for a unit leader to confidently supervise canoeing or kayaking excursions on flat and moving water. Persons completing the training should be better able to assess their preparation to supervise paddle craft activities. The training is open to any registered adult leader, Scout, Venturer, or Explorer who is age fifteen or older. Registration for this training will be open on Black Pug or participants can simply attend.

WATER PROGRAMS

THE WHITEWATER PROGRAM

The New River, the fourth-oldest river in the world, is a world-class destination for whitewater rafting. The Summit offers three opportunities for Scout Camp participants to experience the thrills of whitewater rafting. Scouts and adults can both participate in the full-day merit badge program and/or a half-day or full-day trip. Make sure not to miss this signature Summit activity!

WATER MERIT BADGE (BUY-UP PROGRAM)

WATER MERIT BADGE (\$135.00 FEE)

Scouts (and leaders) are invited to a whitewater rafting experience on the upper New River, where they will learn the skills and techniques needed for a successful rafting experience. This knowledge will then be applied, as participants navigate and negotiate ten miles of the river, including more than fifteen rapids, ranging in difficulty from Class I to III+.

On this trip, participants will navigate ten miles of river in an eight-person river raft. The trip route contains approximately twenty-five different rapids, ranging between Class I to IV+. These unforgettable trips will last for about two (half-day) or five (full-day) hours. Meals are provided by the rafting outfitter for full-day trips; half-day trip participants should plan to eat at the Pigott Dining Hall before (afternoon) or after (morning) their trip. Registration can be placed and paid through the Black Pug registration platform. Trips cannot be canceled or refunded with notice of less than two weeks. The cost to participate is \$105.00 per person for a half-day trip and \$135.00 per person for a full-day trip.

ECOLOGY & CONSERVATION

THE ECOLOGY AND CONSERVATION PROGRAM

There are three primary venues for these programs: the Delta Pavilion, the Sustainability Treehouse, and the Cushman Family Fish Camp. Of course, the most rewarding learning takes place as Scouts explore the trails and waters of the stunning Summit property!

It is the duty of every person to learn more about the natural resources on which our lives depend so that we can help make sure that these resources are used intelligently and cared for properly.

Prerequisites: None

SUMMIT CORE VALUE: SUSTAINABILITY

Sustainability, a core value of the Summit since its inception, describes a way of planning and operating that balances environmental stewardship, economics, and education. All programs at the Summit Bechtel Reserve offer opportunities to engage with sustainability and put the associated principles into practice. These include opportunities to utilize the energy-saving buildings and structures on the property; take official Leave No Trace courses; and, of course, visit the energy-positive Sustainability Treehouse!

ECOLOGY & CONSERVATION

ECOLOGY AND CONSERVATION MERIT BADGES AT THE DELTA PAVILION

ARCHAEOLOGY MERIT BADGE

Understand how cultures evolve and investigate the past using clues our ancestors left behind with the Archeology merit badge. Because of the importance of mining to the economy and culture of West Virginia, this is a great merit badge for Scouts interested in learning about the local area.

Prerequisites: None

NATURE MERIT BADGE

There is a close connection between the soil, plants, and animal life (including humans). Understanding this connection, and the impact humans have upon it, is important to preserving the wilderness, as well as to our own well-being as members of the web of nature. Scouts are invited to study, question, and explore the abundant nature at the Summit.

Developing knowledge about these captivating creatures leads to an appreciation for all wildlife; understanding the life cycle of a reptile or amphibian and keeping one as a pet can be a good introduction to natural history; and knowing about venomous species helps Scouts to be prepared. Come explore the world of snakes, lizards, turtles, and more!

Prerequisites: 8a-b (choose one option)

OTHER ECOLOGY PROGRAMS & TRAININGS

ANTOLINE CONSERVATION TRAIL GUIDED HIKE

The Justice National Scout Camp Ecology and Conservation staff will offer guided hikes of the serene Steve Antoline Family Conservation Trail during each session of camp. Beginning at Boulder Cove, around the bend of Goodrich Lake West, continuing across Jack Furst Drive, and stretching into primitive trails nestled among the Summit hills, this trail includes pause points and offers a chance for hikers to reflect on the human impact on the environment and the associated responsibilities of stewardship and conservation. Participants are welcome to hike this trail on their own, too!

McALLISTER SUSTAINABILITY TRAIL GUIDED HIKE

The McAllister Family Sustainability Challenge Trail, a five-mile trek, beginning in Echo Base Camp and continuing south through the Summit Center, offers twelve pause points that provide opportunities for instruction and reflection. Scouts and leaders are invited to explore the story of sustainability in the beautiful setting of the Summit. Scouts and leaders are welcome to attempt this challenging trail independently or with a staff member guide (see the *Program Schedule* for details). In this two-day program, offered twice during each camp session, participants will spend the first session on the low-ropes course, near Goodrich Lake West and the second day on the high-ropes course in Action Point. The goals of project C.O.P.E. are to build leadership, self-esteem, decision-making, trust, and teamwork.

This is accomplished by progressing, as a group, through a series of increasingly-challenging physical and mental exercises that require cooperation and teamwork to complete. Scouts must be thirteen years old or older to participate in this program.

CLIP INTO

SUMMIT CENTER ZIPS

There are many fantastic aerial sports venues at the Summit. In the Summit Center, the Gateway (1,100 feet) and Legacy (1,300 feet) Zip Lines offer fun and adventure, convenient to the main program area of the Summit. These zip lines will be open on some evenings during each session of camp, probably on Tuesday and Thursday evenings. Details about these opportunities will be shared with leaders as camp nears.

AERIAL SPORTS FULL-DAY BUY-UP PROGRAM

The aerial sports buy-up program offers Scouts and leaders an opportunity to explore and negotiate the most challenging aerial sports venues on the property, alongside participants from the Summit Experience, the onsite high-adventure program of the Summit. This program begins at the Rocks, home to climbing, rappelling, bouldering, and the Leap of Faith (a thrilling thirty-two-foot jump). The day continues with an invigorating ride on Alexander's Eagle Flight (formerly the Big Zip), a signature Summit offering. The day concludes with the newly-reopened canopy zip line tour in Action Point, which offers a stunning platform-to-platform course through the trees. Participants will be provided with a pack-out lunch to eat on the trail between venues. The cost to participate in this program is \$85.00 per person, and registration can be placed online through the Black Pug program registration platform.

AERIAL SPORTS BUY-UP SCHEDULING

The aerial sports buy-up program is a full-day program, including three activities (Rocks, Alexander's Eagle Flight, and canopy zip line tour). Registration for the aerial sports buy-up does not allow for à la carte selections.

ALEXANDER'S EAGLE FLIGHT BUY-UP PROGRAM (FORMERLY BIG ZIP)

Youth and adult participants in the James C. Justice National Scout Camp have the chance to experience the most thrilling ride the Summit has to offer on Alexander's Eagle Flight (formerly Big Zip)! Take in the beautiful natural surroundings above and through the trees, high above Tridave Lake, with an Alexander's Eagle Flight buy-up! Individuals will register and pay online through the Black Pug registration platform. Specific times on the days on which participants are registered will be coordinated at camp. Transportation will be provided for Scout Camp participants, though they may also choose to hike. Make sure to register early, as this is the most popular buy-up program for Scout Camp participants! The cost for a ride on Alexander's Eagle Flight is \$20.00 per person.

Participants must weigh between fifty (eighty for Eagle Flight) and two hundred fifty pounds and fit safely into the proper gear to ride any zip line at the Summit.

WHEELED SPORTS PROGRAMS

THE WHEELED SPORTS PROGRAM

Wheeled sports programs are among the most unique offered at the Summit Bechtel Reserve. Skateboarding, BMX, and mountain biking are offered as evening and buy-up program options for Scouts and leaders, and the Skating merit badge (skateboarding requirements) is offered, too. Whether you are a seasoned skater or have never seen a skateboard, our experienced staff will provide instruction and direction. Let's ride!

WHEELED SPORTS MERIT BADGE

SKATING MERIT BADGE

This merit badge introduces Scouts to the exciting world of skateboarding. In addition to being an enjoyable leisure activity that promotes fitness, there are a variety of athletic careers in skating. The Summit is one of the only Scouting America facilities that offers skateboarding programs, and skaters of any level can participate!

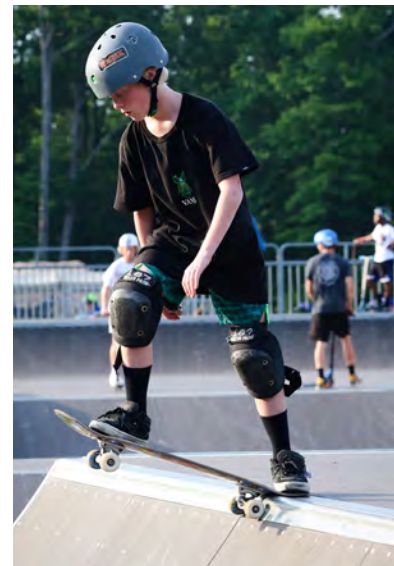

Prerequisites: Requirement 2 (Skateboarding option) c2

MOUNTAIN BIKING (ACTION POINT)

Weaving through the woods around Action Point and the surrounding areas are the Jared Harvey Mountain Bike Trails. These trails offer a variety of difficulty ratings including Green Circle (easy), Blue Square (more difficult) and Black Diamond (very difficult). Qualified staff, based at the Harvey Mountain Bike Shop in Action Point, will work with riders of all abilities to improve their riding skills and help roll through any requirements. Half-day Introduction to Mountain Biking courses are offered throughout the week, and open mountain biking is available on some evenings during each session (usually on Tuesday and Thursday evenings). Those youth and adults who want to participate in the half-day Introduction to Mountain Biking course must register online through the Black Pug platform; evening mountain biking programs do not require registration. See the Program Schedule in this guide for additional information.

SKATEBOARDING AND BMX (ACTION POINT)

In addition to the high-adventure Park and Trax venues, the Harkey X-Zone, at Action Point, in the Summit Center, houses top-notch skateboarding and BMX facilities for Scouts and adults to try their hands at these adrenaline-pumping activities. During open program time (usually on Tuesday and Thursday evenings, though specific days and times will be shared with participants at camp), participants can visit the Harkey X-Zone to receive instruction in cornering, pumping, and balance on the BMX tracks or explore the transitions, ramps, quarter pipes, stair sets, boxes, and rails of the skatepark. Closed-toe athletic or skate shoes are required for these activities.

WHEELED SPORTS BUY-UP PROGRAM

Scout Camp participants are invited to "shred the gnar," by visiting the Park, the high-adventure skateboarding venue of the Summit, and the Trax, the high-adventure BMX venue of the Summit, for a full-day wheeled sports buy-up program. Qualified instructors will share their passion for the sports with participating Scouts and adults. Participants of any ability will leave with the confidence and competence to tackle the challenges presented by these activities. Safety equipment is provided for both activities, and a pack-out lunch is provided for Scouts participating in this program. Scouts and adults who want to participate must register online through the Black Pug platform. See the Program Schedule for a listing of the days on which this program is offered. The cost to participate in the wheeled sports buy-up program is \$65.00 per person.

HUNTER EDUCATION PROGRAMS

THE JOE CRAFTON SPORTSMAN'S COMPLEX

The Joe Crafton Sportsman's Complex Hunting and Shooting Program, located in Action Point, contains Hunter's Hall, which has exhibits on hunting and conservation, and the Crafton Skills Center, a state-of-the-art, twelve-room virtual shooting range. Participants can experience the half-day, hands-on portion of the hunter education course in Crafton Hunter's Hall which will include a certificate and hunter education memorabilia and will also be given the opportunity to shoot Laser Shot in the Skills Center. This virtual shooting experience has a variety of simulations and challenges, allowing participants to practice their pistol, rifle, and shotgun skills before heading out to the live range. In addition, participants have the opportunity to receive a hunter education card which will allow them to obtain a hunting license in their home state (see Hunter Education Certification Course information, to the right, on this page).

OPEN PROGRAMS AT THE SKILLS CENTER

Open program, typically on Tuesday and Thursday evenings, provides Scouts and adults the opportunity to visit the virtual shooting range in the Crafton Skills Center. Participants will be admitted every thirty minutes during open times.

HUNTER EDUCATION CERTIFICATION COURSE

Participants who are interested in attaining a hunter education card (needed to obtain a hunting license), should register for a session of the hunter education course in Black Pug, where merit badge and program registration is located, then complete the following steps:

01. Go to the link for the West Virginia Division of Natural Resources (D.N.R.) registration site and sign up for the date that matches your week of attendance. These links will be shared with participants in January of 2025, as they cannot be created until that time.
02. Once registered, visit www.wvndr.gov and select one of the five hunter education courses, of which four have a fee and the last one, offered by the National Rifle Association, at www.nrahe.org, is free. Participants must take the course through the West Virginia D.N.R. Web site and must select West Virginia as the state.
03. After passing the test, print out and bring the completed Field Day/Practical Exam Voucher to the Summit to participate in the hands-on hunter education certification class and final course test for certification. Take a picture of the Voucher on a phone or mobile device as a backup!
04. Summer camp courses will be offered several times during each session of camp in the Joe Crafton Hunter's Hall, located in Action Point. Registration is made through the Black Pug registration platform.
05. Once all requirements are met, participants will receive a West Virginia Hunter Education Card which will allow them to purchase a hunting license in any of the fifty states, plus Mexico, Canada, and the United Kingdom. Participants will also receive a Hunter Education patch and a West Virginia D.N.R. certificate.
06. Participants can contact Chris Perkins, Hunter Education Program Manager, at Chris.Perkins@scouting.org or 304-465-2856, with any questions.

HUNTER EDUCATION NOTE

While any Scout or leader is welcome to participate in a hunter education program, those who wish to earn the West Virginia Hunter Education Card, which can be exchanged for a hunting license, must complete the steps here. Registration for the online course, required for those wanting to earn the Card, will be shared with participants in January of 2025.

OTHER SCOUT CAMP PROGRAMS

OPEN PROGRAMS

The Summit Bechtel Reserve offers several open programs throughout the week. On Monday evening, the camp-wide Appalachian Celebration is held in Action Point. On Tuesday and Thursday evenings, Boulder Cove, Goodrich Lake West, and skateboarding and BMX in Action Point are open, in addition to the Scout Camp open program described on the preceding pages. Sunday and Friday evenings in Scout Camp are dedicated to the opening and closing campfire programs, respectively.

WEDNESDAY NIGHT: INTER-UNIT FELLOWSHIP

On Wednesday evenings, there are no scheduled open programs. While many Scouts and Scouters participate in the Order of the Arrow rededication ceremony, described on this page, many also choose to remain in their campsites for inter-unit fellowship, including campfires and s'more-making, Gaga ball, sports tournaments, and other activities.

FRIDAY CLOSING CAMPFIRE PROGRAM

The Justice National Scout Camp staff hosts the opening campfire ceremony on Sunday evenings to welcome participants and set a positive tone for each session of camp. For the Friday evening closing campfire ceremony, units are invited to perform skits and songs of their own, interspersed with recognitions and rewards for individual participants and units from throughout the week. Youth leadership should work with the Scouts in their unit to determine appropriate skits and songs for this program. All skits and songs will be screened by the camp leadership to ensure that they meet the standards of the *Ceremonies and Campfire Guidance*.

UNIT PLAQUE PROGRAM

In the arrival materials, contained in the base camp box, each unit will receive a plaque to decorate and sign for display in Pigott Headquarters (Scout Camp office). Units may also choose to bring or make their own plaque. Recommended dimensions are six inches by six inches, though reasonable aberrations from this recommendation will still be accepted.

SCOUT SPIRIT: THEME DAYS

Each day of each session at the Justice National Scout Camp will have a different theme. Scouts and leaders are encouraged to dress for and take part in the theme—in whatever Scouting-appropriate way desired—for each day!

- Monday: West Virginia, Best Virginia Day (wear gear from West Virginia or gear from your home state)
- Wednesday: Hawaiian Day
- Friday: Order of the Arrow Day/Choose Your Own Theme Day

ORDER OF THE ARROW PROGRAMS

The Order of the Arrow, Scouting's National Honor Society, plays a key role in the program of the Justice National Scout Camp. There are two primary opportunities offered during each session of camp, a Wednesday evening rededication ceremony and a Friday night calling-out ceremony.

WEDNESDAY NIGHT REDEDICATION CEREMONY

On Wednesday evenings, current members of the Order of the Arrow are invited to participate in a rededication ceremony unique to the Summit. This ceremony will take place in the Summit Circle, the relocated original ceremony ring from Camp Treasure Island, where the Order of the Arrow was established in 1915. Following the ceremony, attendees are invited to participate in an ice cream social in the Alpha Pavilion (near the ceremony site). Transportation to and from the Alpha Pavilion will be provided; participants will walk about one and a half miles, total, to and from the drop-off point to the ceremony site.

FRIDAY NIGHT CALLING-OUT CEREMONY

On Friday night, at the end of the closing campfire program, the James C. Justice National Scout Camp will host an Order of the Arrow calling-out ceremony. In order for a Scout or Scouter, elected or selected, respectively, for Order of the Arrow membership, to be called-out during the Friday night ceremony, the unit must provide a letter from the local lodge (in any reasonable format) verifying that the Scout or adult has been properly elected or selected, through an election or through the adult-nomination process. Without this verification letter, Scouts and leaders will not be called-out during this ceremony.

SCOUT CAMP AWARDS & OPPORTUNITIES

AWARDS SPECIFIC TO SCOUT CAMP

The Summit Bechtel Reserve offers several awards available for participants in any program; these awards are detailed on the right of this page. The programs listed below are specifically for Scout Camp participants.

JUSTICE NATIONAL SCOUT CAMP PARTICIPATION AWARD

The Justice National Scout Camp Participation Award is an award presented to those Scouts (youth) who want to maximize their summer camp experience by taking advantage of the numerous opportunities afforded to participants during their camp experience at the Summit. See the end of this guide for the requirements and the form that must be completed and submitted to achieve this special individual recognition. All award forms should be submitted to the Pigott Headquarters building (Scout Camp office) by Friday at 1:00 p.m. Awards will be given to unit leaders at check-out.

MERIT AND HONOR TROOP AWARDS

The Merit Unit and Honor Unit Awards recognize units that participate fully in the camp program and demonstrate the true spirit of Scouting. All units receiving the Merit and Honor Unit Awards will be recognized at the closing campfire program with the presentation of special ribbons to hang from the unit flag. See the end of this guide for the form that must be completed and submitted to achieve this/these recognitions. All Merit and Honor Troop Award forms must be submitted to the Pigott Headquarters building (Scout Camp office) no later than Friday at 1:00 p.m. If forms are not received by this time, units will still be given the award ribbons, but they may not be presented at the closing campfire.

JUSTICE UNIT AWARD

At the end of each session of camp, one unit (troop or crew) will be recognized as the Justice Unit for that session. The Justice Unit is the troop that, collectively, shows the most outstanding Scout spirit, operates according to the principles of the Scout Oath and Law, and contributes most to camp life during each week of camp. Units must achieve the Honor Troop designation to be considered for the Justice Unit recognition. The Justice Unit will be decided by a staff vote on Friday afternoon of each camp session; the award will be presented during the closing campfire program.

SUMMIT DUTY TO GOD AWARD

A Scout is Reverent. The Summit Duty to God Award is intended to provide Scouts and leaders an opportunity to experience and live the capstone point of the Scout Law. This award can be earned by individual participants, though unit support is needed. See the end of this guide for the form that must be completed and submitted to achieve this recognition.

SUMMIT SUSTAINABILITY AWARD

Sustainability describes the essential work to be done to preserve and protect the natural resources of the planet Earth. Sustainability is a key commitment of the Summit and the Boy Scouts of America, and participants (youth and adult) in any Summit program can earn the Summit Sustainability Award. The award is a reflection of the individual's responsibility in the collective effort of sustainability. See the appendix to this guide for the form that must be completed and submitted to achieve this recognition.

ADULT LEADER PROGRAMS

ADULT LEADER TRAININGS

The qualified, adult staff of the Justice National Scout Camp conduct trainings for adult leaders during each session of camp. These trainings are described in detail in the preceding pages. While all of these trainings can be selected on Black Pug, the online registration platform used by Scout Camp for merit badge, training, and program registration, for many of these trainings, leaders can simply show up to the right area at the right time! Training cards will be provided as verification of completion, and training records can be e-mailed to local councils on request.

SCOUTMASTER COOK-OFF

On Thursday evenings, all leaders are invited to participate in the Scoutmaster Cook-off! Hosted at the Pigott Headquarters building, at the conclusion of evening program, adult leaders who wish to participate should prepare a dish, an entrée and/or a dessert, and bring it to Pigott Headquarters for judging by a distinguished staff panel and tasting by all attendees. The only rule for the Cook-off is that the dish must be prepared and cooked completely in the campsite. An ice cream complement will be provided by Justice Scout Camp. A special apron will be presented to the winners in each category each week.

SCOUTMASTER MERIT BADGE

The Scoutmaster Merit Badge is the ultimate summer camp challenge for adult leaders. Experience the best camp has to offer, while supporting and enhancing the program by working on the Scoutmaster Merit Badge. All earners of this award will receive a special recognition. See the end of this guide for a list of the requirements to attain this prestigious recognition!

WANT TO HELP AT CAMP?

While the Justice National Scout Camp employs a fantastic, top-notch staff, assistance from qualified adult leaders is always appreciated (and help usually satisfies a requirement for the Scoutmaster Merit Badge!). Leaders who are interested in assisting at camp, by leading a training or session, conducting a special project, or offering hobby- or career-based expertise, should e-mail Justice Scout Camp Program Manager Johnny Tracy, at Johnny.Tracy@scouting.org, or the Summit program and registration team, at Summit.Program@scouting.org, to make the appropriate arrangements. One area always in need of extra expertise and supervision is the Brownsea Island first-year camper program!
